Re: Request for Groundwater Data

Dear Mr. Smith:

It has come to my attention that your Department has recently sampled groundwater within the vicinity of Monsanto and Kerr-McGee in Soda Springs. Please provide me with a copy of all groundwater analyses (private, public, and monitoring wells), the sampling protocol, chain-of-custody forms, method of analysis, and quality assurance documents so that EPA may be able to adequately respond to any comments raised by the sampling.

Thank you for your prompt attention to this matter.

Sincerely,

*David M. Bennett*
